Purple Highlighted DOES NOT include service and will require adding cat class 75-2085

Green Highlighted would require 75-2070 for 1X Week / 4X Month Service

Blue Highlighted would require 75-2080 for 1X Week / 4X Month Service

Orange Highlighted would require 75-2075 for 1X Week / 4X Month Service

**\*\*Standard Delivery during normal working hours\*\***

Delivery/Pickup Charges = \$154.27 flat charge (each way) then \$4.19 per mile

**\*\*After Hours, Weekends, and Holidays\*\***

An additional call out fee may be incurred, and will be communicated at the time of request. Please refer to pricing table under Service/Labor for hourly rates that would be applicable to support the call out charges.

**\*\*Third Party Hauling Charges\*\***

In a situation where both parties mutually agree to utilize a third party hauler, a quote (cost + 10%) will be provided to the end user that would replace standard United Rentals Delivery and Pickup rates.

**\*\*Oversize/Permitted Loads\*\***

All applicable fees will be communicated at time of service.

**\*\*Over Time Charges\*\***

Rental Rates above are based on normal usage so run time in excess of single shift rates will incur overtime charges based on actual usage of the equipment.

**\*\*Truck Rental Allowance\*\***

Rental rates for all vehicles with an odometer (categories 950 - 954) are based on a 2000 mile per 28 day monthly billing cycle. Calculated overages will incur a .22\$ per mile charge thereafter. All electric vehicles require a minimum rental period of 12 month's.

**\*\*Rental Equipment Fuel Service\*\***

A refueling service charge will be applied to all equipment returned less than full. The exact cost of the refueling service may vary depending on the rate being charged by the branch location on the date customer returns the equipment.
