RE: State of Oklahoma and Arkansas

Please accept this response to your inquiry on our distribution method of unit sales, service and support parts of our Leach (Alpha & 2RIII), Wittke (Starlight & Super Duty) and Labrie (Automizer RH, AH, AP, Top Select, Mini-Max and Expert) brand of products.

All of our end user unit and part sales occur through authorized distributors with defined territories. All service part sales for our North American distribution channel originate from our USA operations site in Lafayette, Georgia.

The state of Oklahoma and Arkansas falls into the geographic area which is supported by our distributor, J&R Environmental Truck Sales, 8800 SW 8th Street, Oklahoma City, OK. J&R Environmental is the only sole authorized distributor to sell our parts, services and equipment for your account.

J&R in conjunction with other Labrie dealers can contract to all 50 states. Should you have any further questions, do not hesitate in contacting J&R Equipment or our office directly.

Best Regards,
