### Certifications and Awards

**Technology +  
People +  
Process**

## Differentiators

- **Public Sector Experience:** Proven track record supporting state and local government IT initiatives.
- **Customized Solutions:** Flexible staffing models tailored to agency requirements and budgets.
- **Compliance Ready:** Adherence to federal hiring standards and EEO guidelines.
- **Robust Talent Network:** Access to over 3 million pre-screened IT professionals ready for deployment.
- **Client-Centric Approach:** Dedicated account management to ensure alignment with agency goals.

## Past Performance

Provided IT staffing services to multiple state government agencies in Georgia, Florida, California, Indiana, Idaho, Virginia, and others local entities, successfully placing skilled professionals in roles such as software development, cybersecurity, and network administration. Ensured rapid deployment, compliance with state hiring standards, and alignment with agency objectives, resulting in streamlined operations and enhanced IT project delivery

## Encouraging Diversity

Codeforce 360, led by a woman and minority owner, is committed to fostering diversity and inclusion. Through equitable hiring practices, we empower candidates from diverse backgrounds to excel in the IT industry, driving innovation and meaningful outcomes while building inclusive workforces in our communities.
