

# Providing Staffing Solutions

We are a family-founded and operated staffing agency, and we prioritize the people behind the work. Whether connecting professionals with meaningful opportunities or supporting healthcare facilities with trusted staff, we operate with integrity, warmth, and a commitment to go above and beyond every day.

## Who We Are

Established in 1988, Wesley Medical Staffing specializes in providing nurse and allied staffing solutions to federal, state, county, and non-governmental facilities across the United States.
