

GOVERNMENT STAFFING

AMERGIS GOVERNMENT STAFFING

# State and Local Health Departments

We have an extensive history of providing state and local health departments with qualified professionals, and thanks to that experience we have developed a deep understanding of how to solve the challenges health departments face.

We serve state and local health departments a wide range of staffing needs, in the following settings:

- Walk in clinics
- Mobile clinics
- Women, children, & infant clinics
- Vaccine/immunization clinics
- Annual checkup clinics
- Telehealth

## Why Partner

We also have strategically located offices around the country, ensuring we can tailor solutions that meet your any need.

Our wide range of contracted healthcare professionals let's us quickly and cost-effectively fill any vacancies, even during mission critical times.

Our unique team of in-house clinicians are ready to help provide you with unmatched support.

Our free MaxView systems help you stay organized and get your jobs in front of qualified candidates quickly.
