## SW0132 Staffing Services – Applicable to School Districts

### 1) Do you specialize in staffing services for school districts?

**Yes, Tryfacta specializes in delivering tailored staffing services to school districts and educational institutions across the nation.** We actively support both K–12 and higher education systems by supplying highly qualified professionals.

We understand the regulatory complexities and operational dynamics within educational environments. Tryfacta ensures full compliance with all applicable local, state, and federal mandates, including background checks, fingerprinting, child abuse clearances, and credential verification.

We excel in rapid deployment, emergency staffing, and both **short-term and long-term workforce solutions to meet the evolving needs of** school districts. Our dedicated education staffing team responds quickly and efficiently, ensuring uninterrupted operations and student support.

Tryfacta has proudly partnered with multiple school districts and educational agencies across the country, consistently delivering reliable, high-quality staffing outcomes. Below, we have listed our government education domain client names:

### 3) Are you currently doing business with any Oklahoma school districts?

Yes, Tryfacta is currently doing business with educational institutions in Oklahoma, specifically with the Oklahoma State University System and the A&M System (OSU-A&M). We provide as-needed temporary staffing services to support various departments, including IT, administrative, and operational functions. While this engagement is with higher education, we are actively pursuing opportunities to expand our services to K–12 school districts within Oklahoma. Our experience in servicing both higher education and public-school systems across multiple states positions us well to meet the staffing needs of Oklahoma school districts, ensuring compliance, quality, and timely placements. Below is the detailed project snapshot for OMES reference.

#### Project Snapshot: Oklahoma State University System and A&M Systems (OSUA&M)
