

CAPABILITY STATEMENT OF SERVICES

BUSINESS SUMMARY

At JoCo, people are our passion and we excel at delivering top talent. Our mission is to partner with our clients to provide tailored workforce solutions while returning a high ROI on your payroll spend. We strive to foster professional growth and development for ALL of our candidates.

JoCo is recognized as a Woman Owned Business and incorporated in over 20 states. JoCo was founded over a decade ago with the belief that building long-term relationships means more than making a quick deal. Since then, we have succeeded in doing just that. If you are looking for a partner to grow your workforce and deliver with quality, JoCo is the right solution for you.

DIFFERENTIATORS

ROI on Payroll Spend

Our team provides quality. Our conversion ratio is one of the highest in our industry. In short, we deliver on your payroll spend. Our internal turnover is next to none, which is unheard of in the recruiting industry, providing you with a superior product with over 50 years of experience.

Top Benefits

We offer superior health insurance options, covering 50% of the entire family premium and 100% paid life insurance.

Employee Wellness Program

As an active company, we know exercise increases productivity and reduces stress. We have a state of the art Wellness Program setting a high standard across the nation.

Growth Through Referral

One of our top sources of new clients is our existing clients. Our successful talent acquisition efforts make word-of-mouth our best advertisement.
