and the amount of the contract management fee being paid for each contract number.

- A.** Pursuant to 68 O.S. § 1404, 68 O.S. § 1352, and 68 O.S. § 1356, Participating Entities under the Contract that are Oklahoma state agencies are exempt from the assessment of State sales, use, and excise taxes. Further, such Participating Entities and Participating Entities that are political subdivisions of the State of Oklahoma are exempt from Federal Excise Taxes pursuant to Title 26 of the United States Code. Participating Entities will provide Contractor with a tax exemption certificate upon request. Any taxes of any nature whatsoever payable by the Contractor shall not be reimbursed by the Participating Entity.
- B.** Pursuant to Okla. Stat. tit. 74, § 85.40, Oklahoma Purchasing Entities that are State Agencies shall not pay Contractor any travel expenses in addition to the total price of the products and/or services purchased; therefore, Contractor shall not invoice State Agency Purchasing Entities for any travel expenses in addition to the total price of the products and/or services.
- C.** Pursuant to OAC 260:115-9-1, payment for an Acquisition does not constitute final acceptance of the Acquisition. If subsequent inspection affirms that the Acquisition does not meet or exceed the specifications of the order or that the Acquisition has a latent defect, the Contractor shall be notified as soon as is reasonably practicable. The Contractor shall retrieve and replace the Acquisition at Contractor's expense or, if unable to replace, shall issue a refund to Participating Entity. Refund under this section shall not be an exclusive remedy.

4. Invoices and Payment

As applicable, the Parties shall comply with applicable Oklahoma law with respect to invoicing and making payments hereunder. Payments for goods and services are generally due thirty (30) days after receipt of a proper invoice; provided, however, Contractor acknowledges and agrees that payment received in accordance with applicable Oklahoma law allowing forty-five (45) days to pay Contractor shall not constitute default hereunder nor entitle Contractor to late payment fees or interest. Any applicable late fees or interest incurred after forty-five (45) days of nonpayment shall be paid only in accordance with Oklahoma law.

Contractor shall be paid upon submission of a proper invoice(s) at the prices stipulated in the Agreement in accordance with 74 O.S. §85.44B which requires that payment be made only after products have been provided and accepted or services rendered and accepted. The following terms additionally apply:

- A.** An invoice shall contain the Purchase Order number, description of products or services provided and the dates of such provision.
- B.** Failure to provide a timely and proper invoice may result in delay of processing the invoice for payment. Proper invoice is defined at OAC 260:10-1-2. The date from which an applicable early payment discount time is calculated shall be from the receipt date of a proper invoice. There is no obligation, however, to utilize an early payment discount.
- C.** If an overpayment or underpayment has been made to Contractor any subsequent payments to Contractor under the Contract may be adjusted to correct the account. A written explanation of the adjustment will be issued to Contractor.
- D.** If the Contractor accepts payment by purchase card, they shall do so according to Oklahoma law.

5. Termination for Funding Insufficiency

- A.** With respect to all Oklahoma-based transactions and all Oklahoma-based Purchasing Entities, Participating State or a Purchasing Entity may terminate any Contract Document if funds sufficient to pay its obligations under the Participating Addendum are not appropriated by the applicable state legislature, federal government or other appropriate government entity or received from an intended third-party funding source. In the event of such insufficiency, Participating State or the Purchasing Entity shall provide ten (10) calendar days' written notice of intent to terminate Any partial termination of the Agreement or of a Contract Document under this section shall not be construed as a waiver of, and shall not affect, the rights and obligations of any party regarding portions of the Agreement or a Contract Document that are not terminated. The determination by the State of insufficient funding shall be accepted by, and shall be final and binding on, the Contractor.
- B.** Upon receipt of notice of a termination, Contractor shall immediately comply with the notice terms and take all necessary steps to minimize the incurrence of costs allocable to the work affected by the notice. If a Purchase Order or other payment mechanism has been issued and a product or service has been accepted as satisfactory prior to the effective date of termination, the termination does not relieve an obligation to pay for the product or service but there shall not be any liability for further payments ordinarily due under the Agreement or for any damages or other amounts caused by or associated with such termination. Any

amount paid to Contractor in the form of prepaid fees that are unused when the Contractor certain obligations are terminated shall be refunded.

- C. In the event of termination of an order as provided in the foregoing, Participating State or Purchasing Entity shall not be considered to be in default or breach under the Participating Addendum nor under the Master Agreement, nor shall it be liable for any further payments ordinarily due under, with respect to, related to, or arising out of such order, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination.

6. Termination for Convenience

- A. Participating State or a Purchasing Entity may terminate a Contract Document, in whole or in part, for convenience if it is determined that termination is in the state's best interest. This includes any orders placed off the Contract. In the event of a termination for convenience, Contractor will be provided at least thirty (30) days' written notice of termination. Any partial termination of a Contract Document shall not be construed as a waiver of, and shall not affect, the rights and obligations of any party regarding portions of the Contract Document that remain in effect.
- B. Upon receipt of notice of such termination, Contractor shall immediately comply with the notice terms and take all necessary steps to minimize the incurrence of costs allocable to the work affected by the notice. If a Purchase Order or other payment mechanism has been issued and a product or service has been accepted as satisfactory prior to the effective date of termination, the termination does not relieve an obligation to pay for the product or service but there shall not be any liability for further payments ordinarily due under the Contract Document or for any damages or other amounts caused by or associated with such termination. Such termination shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided for by law. Any amount paid to Contractor in the form of prepaid fees that are unused when the Contract Document or certain obligations are terminated shall be refunded. Termination of the Contract Document under this section, in whole or in part, shall not relieve the Contractor of liability for claims arising under the Contract Document.

7. Suspension of Contractor

- A. Contractor may be subject to Suspension without advance notice and may additionally be suspended from activities under the Agreement if Contractor fails to comply with confidentiality, privacy, security, environmental or safety requirements applicable to Contractor's performance or obligations under the Agreement.
- B. Upon receipt of a notice pursuant to this section, Contractor shall immediately comply with the notice terms and take all necessary steps to minimize the incurrence

of costs allocable to the work affected by the notice. If a Purchase Order or other payment mechanism has been issued and a product or service has been accepted as satisfactory prior to receipt of notice by Contractor, the Suspension does not relieve an obligation to pay for the product or service but there shall not be any liability for further payments ordinarily due under the Agreement during a period of Suspension or suspended activity or for any damages or other amounts caused by or associated with such Suspension or suspended activity. A right exercised under this section shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided for by law. Any amount paid to Contractor in the form of prepaid fees attributable to a period of suspension or suspended activity shall be refunded.

- C. Such Suspension may be removed, or suspended activity may resume, at the earlier of such time as a formal notice is issued that authorizes the resumption of performance under the Agreement or at such time as a Purchase Order or other appropriate encumbrance document is issued. This subsection is not intended to operate as an affirmative statement that such a resumption will occur.

13. Force Majeure

Either party shall be temporarily excused from performance to the extent delayed as a result of unforeseen causes beyond its reasonable control including fire or other casualty, act of God, strike or labor dispute, war or other violence provided the party experiencing the force majeure event has prudently and promptly acted to take any and all steps within the party's control to ensure continued performance and to shorten duration of the event. Contractor agrees that maintaining such agreement with any subcontractor and obtaining prior approval by the State of any subcontractor and associated employees shall be a continuing obligation. The State of Oklahoma further reserves the right to revoke approval of a subcontractor or an employee thereof in instances of poor performance, misconduct or for other similar reasons.
