*Employees may accumulate annual leave in excess of the statutory limit; however, any accrual earned in excess of the statutory limit will be lost if not used within 12 months following accrual. Upon separation from state service, payment will be made to the employee for any unused annual leave accumulated up to and including the accumulation limit (**240** hours for employees with less than five years of service, **480** hours for employees with five or more years of service).
