### BASIC CORRECTIONAL OFFICER TRAINING – PHYSICAL STANDARDS

As a portion of physical training in the Basic Correctional Officer course, employees will be required to actively participate in physical conditioning and successfully complete a course in basic self-defense. The academy's physical conditioning activities that begin on the second day of training with a basic physical assessment which includes a 1.5 mile run/walk, one (1) minute of push-ups and one (1) minute of sit-ups. These activities are performed at the individual student's own pace and current ability. Physical conditioning will continue throughout the duration of the academy. The duration and endurance maximums listed below are goals rather than requirements, and not all activities are performed every day. **Students are required to act as a subject during self-defense training. It includes having wrist, elbow, and shoulder joints repetitively manipulated to a controlling posture.**
