**DIRECTIONS:** From Interstate 35 take exit 86 and travel west on highway 59 approximately ½ mile and MATC will be on the south side of the highway.

**PLEASE NOTE:** Professional behavior is expected at all times during your training experience at the Central Regional Training site; behavior unbecoming a corrections professional could result in expulsion from the academy, and/or termination of employment.

For complete information regarding expectations of Central Regional Training participants, please refer to the Participant Reference Guide available on the Employee Development page of the DOC online website. It is your responsibility to read, understand, and follow the rules and guidelines set forth in the Guide.

### **BASIC CORRECTIONAL OFFICER TRAINING – PHYSICAL STANDARDS**

As a portion of physical training in the Basic Correctional Officer course, employees will be required to actively participate in physical conditioning and successfully complete a course in basic self-defense. The academy's physical conditioning activities that begin on the second day of training with a basic physical assessment which includes a 1.5 mile run/walk, one (1) minute of push-ups and one (1) minute of sit-ups. These activities are performed at the individual student's own pace and current ability. Physical conditioning will continue throughout the duration of the academy. The duration and endurance maximums listed below are goals rather than requirements, and not all activities are performed every day. **Students are required to act as a subject during self-defense training. It includes having wrist, elbow, and shoulder joints repetitively manipulated to a controlling posture.**
