Department of Corrections,

I Just want to Say Thank You for taking the time during the Crazy Holiday Season to do the Toy Drive for Our Kids! I had the Privilege to hand out Each of the gifts to the Parents. Most of the parents told me that these gifts would be the Majority of the gifts that their Children would open up on Christmas Morning. Each family was extremely grateful In their own way. Thank You for Providing this for them!

Have a happy New Year!

Thanks,

Clayton Ramirez RRRC
