

Oklahoma Department of Corrections  
Unclassified Job Descriptor

## **Transition Coordinator**

### **Basic Purpose:**

Positions in this job are assigned responsibilities related to facilitation of specific re-entry service for offenders discharged from incarceration by the department.

### **Typical Functions:**

- Assesses employment, educational, social, and living skills necessary to function within a community, and develops an individual re-entry plan based on those assessments.
- Coordinates the development of the individual offender's transition team, which requires collaboration with offender families and other state and local entities in various locations.
- Coordinates the activities of the transition team to ensure support services are established and offenders receive assistance in obtaining and maintaining safe, affordable housing, reliable transportation, medical care, and participate in leisure-time activities
- Maintains statewide oversight of many offender transition teams to ensure appropriate progress with re-entry plans.
- Conducts training for community team facilitators in the development of strength based plans for the purpose of re-entry, and acts as a resource for the teams and their facilitators.
- Acts as a liaison with team facilitators and department staff.
- Prepares reports and maintains statistical information regarding re-entry activities.

### **Knowledge, Skills, and Abilities:**

Knowledge of case assessment methods, principles, and techniques; of team development, group dynamics and strength based planning. Ability to exercise time management in evaluating re-entry situations; to exercise good judgment in making decisions; to present ideas and facts effectively and accurately; to establish and
