

**Driver License Exam Site Hours of Operation  
Updated November 12, 2015 35 Exam Sites**

**ATTENTION:** Closing times listed do not always reflect applicants will be accepted up to that time. Due to workloads, it may be necessary to cease taking applicants earlier in order to complete processing by the end of the business day. For example: an office's closing time may be listed as 4:45 p.m., but taking applicants may be stopped at 3:00 p.m. in order to process applicants by 4:45 p.m

**ATTENTION:** Hours of operation may vary. Some exam sites are staffed with one examiner. Normally for those sites, written testing is done in the morning and scheduled drive tests are conducted in the afternoon. If the examiner is out of the office conducting a drive test, phone calls will not be answered. Calling ahead, preferably in the mornings, is recommended to ensure testing availability.
