

**Department of Public Safety
Oklahoma Temporary
Motorist Liability Plan
47 O.S. §7-622**

You have received a citation for failure to comply with the state compulsory insurance law and your license plate has been seized under the State Temporary Motorist Liability Plan. The citation and temporary tag will serve as your license plate for the next 10 calendar days or until you complete the stop to retrieve your license plate. The citation must be in this vehicle whenever it is driven during this period and shown to law enforcement personnel upon request.

If you have not retrieved your license plate at the end of 10 calendar days, the vehicle must be parked and cannot be driven.

INSURANCE

For the next ten (10) calendar days from the date and time of your citation, or until you obtain valid insurance coverage, whichever comes first, you will be covered under temporary liability insurance with the state minimum required coverage. Certain exclusions may apply and the insurance is not valid until the premium is paid or while the vehicle is driven in another state.

TO RETRIEVE YOUR LICENSE PLATE

In order to get your license plate you will need to do the following:

- Satisfy the citation with the court clerk's office.**
- During normal working hours, 8:00am – 5:00pm, excluding weekends and holidays, take the receipt showing the citation is satisfied, with a copy of your valid insurance form to the Sheriff's Office in the county the citation was issued.**
- Pay an administrative fee of \$125.00 plus the cost of temporary insurance coverage (\$12.00/day with a \$60.00 minimum calculated from the date of your citation until the date you obtain valid insurance (this is not to exceed ten (10) calendar days).**

***Note: The license plate will not be available for pickup at the Sheriff's Office until four (4) days after the date of your citation.**

PAYMENTS

Payment must be made by Cashier's Check or Money Order. NO personal checks or cash will be accepted.
