B. The provisions of this section shall not be construed to preclude a person who has received a pardon from being eligible for or from holding public office."

Title 70 O.S. 2013 Supp. Section 5-110:

"A. A school district elector who is elected or appointed to be a member of a school district board of education prior to January 1, 2014, shall obtain instruction on education issues in accordance with rules promulgated by the State Board of Education. Except as provided in subsection B of this section, at the time a school district elector files a notification and declaration of candidacy for the office of school district board of education membership or is appointed to be a member of a school district board of education on or after January 1, 2014, the elector shall agree and pledge in writing that, within fifteen (15) months of election or appointment as a member of the district board of education, the member will complete at least twelve (12) hours of instruction on education issues in the following areas: school finance; legal issues, which include but are not limited to employment, due process, new laws, the Oklahoma Open Records Act and the Oklahoma Open Meeting Act; and duties and responsibilities, which include but are not limited to special education and ethics, of district board of education members. Each elector shall agree and pledge in writing to complete at least one (1) hour of instruction in school finance, one (1) hour of instruction in the Oklahoma Open Records Act and the Oklahoma Open Meeting Act and one (1) hour of instruction in ethics. B. When an incumbent of a district board of education files a notification and declaration of candidacy

The remaining hours may be satisfied by attending a workshop, class or seminar addressing the education issues set forth in subsection A of this section.

C. The State Department of Education shall, immediately after the annual elections of various district board of education members, determine the members of the district boards of education pledged to complete the instructional requirements established in subsections A and B of this section, and shall notify the members of the time and place where workshops, classes and seminars are to be conducted. Upon completion of the instructional requirements, the certificate of completion shall be included in the public records of the school board's minutes. Each school board member, except for an incumbent member, shall be required within fifteen (15) months following or preceding election to complete the workshop established by subsection A of this section or to attend twelve (12) hours of other state workshops, classes or seminars conducted as instruction on the subjects of school finance, legal issues, and the ethics, duties and responsibilities of district board of education members, including at least one (1) hour of instruction in school finance, one (1) hour of instruction in the Oklahoma Open Records Act and the Oklahoma Open Meeting Act and one (1) hour of instruction in ethics.

A school board member who is required to vacate a school board seat pursuant to this subsection shall be ineligible to be reappointed or to run for reelection to that respective board seat on the school district board of education or to run for election to any other board seat on the board of education for a three-year period for three-member boards, for a four-year period for seven-member boards or for a five-year period for five-member boards.

E. All government departments, agencies and institutions of this state are directed to lend assistance as may be required by the State Department of Education for the proper conduct and administration of the workshops as authorized in subsection A of this section. The State Department of Education shall maintain a permanent record of each district board of education member who successfully completes a workshop and shall issue a certificate of completion to the member.

F. The State Department of Education, the Oklahoma Department of Career and Technology Education, and, upon approval of the State Board of Education, any organization or association representing district boards of education in this state are authorized to charge persons pledged to attend a workshop, class or seminar for purposes of meeting the instructional requirements of this section, a registration fee sufficient to defray the estimated costs of presenting the workshop, class or seminar and to collect the fees at the time of registration.

G. Any member of a district board of education or any individual elected, certified as the elected member by the county election board, but not sworn in and seated as a member of a district board of education at the time of a workshop, class or seminar presented by the State Board of Education, the Oklahoma Department of Career and Technology Education, or an organization or association representing district boards of education within the state who attends and successfully completes a workshop, class or seminar as required by subsection A or B of this section shall be reimbursed by the school district in accordance with the travel reimbursement policy of the district."

Title 70 O.S. 2012 Supp. Section 5-110.1:

The continuing education courses, workshops, seminars, conferences, and conventions which shall satisfy the continuing education requirement shall be approved jointly by the State Department of Education and the Oklahoma Department of Career and Technology Education.

B. Local and state continuing education programs conducted pursuant to the provisions of this section

shall be held in all regions of the state at institutions of higher learning, area technology centers or other approved sites. Notice of such courses and seminars shall be provided to all school board members and to the public schools.

C. This section shall not apply to those school board members who file for reelection prior to July 1, 1991.

D. Failure by a board member to satisfy the continuing education requirements of this section shall result in the ineligibility of the member to be reappointed or run for reelection to that respective board seat on the school district board of education or to run for election to any other board seat on the board of education for a three-year period for three-member boards, for a four-year period for seven-member boards or for a five-year period for five-member boards.

E. The State Department of Education, the Oklahoma Department of Career and Technology Education, and any organization approved by the State Board of Education, including but not limited to institutions of higher education, may charge persons attending continuing education courses a registration fee sufficient to defray the estimated costs of presenting the course. The registration fees for each course shall be announced prior to the date of such course.

F. Any member of a school district board of education who attends and completes a course which satisfies in part or in full the requirements of this section shall be reimbursed by the school district for expenses incurred. In addition, a school district board of education may reimburse members of the board of education for expenses incurred in registering and attending board member training programs or activities approved by the board which are in addition to the minimum school board training requirements established by law."

Title 70 O.S. 2011, Section 5-113:

"A. No person shall be eligible to be a candidate for or serve on a board of education if the person is currently employed by the school district governed by that board of education or is related within the second degree by affinity or consanguinity to any other member of the board of education or to any employee of the school district governed by the board of education. The purpose of this section is both to prohibit persons who are related within the second degree by affinity or consanguinity from serving simultaneously on the same board of education of any school district of this state and to prohibit persons who are related within the second degree of consanguinity or affinity to an employee of a school district from serving on the board of education governing the school district while such relative is employed.

B. If the relationship is based on affinity, the prohibitions in this section shall not apply to prevent members of boards of education who are serving on September 1, 1995, from serving the term for which they were elected or from serving successive terms for which they may be elected, unless it is the member's spouse who is a member of the board of education or an employee of the school district, then such prohibitions shall apply.

C. The prohibitions set forth in this section shall not apply if the person related to the board member within the second degree of affinity or consanguinity is employed as a substitute teacher by the school district pursuant to the provisions of Section 6-105 of this title or as a temporary substitute support employee if the school district has an Average Daily Membership (ADM) of less than five thousand (5,000).

D. Any member of a board of education who violates the provisions of this section shall be subject to the penalties prescribed by Sections 485 and 486 of Title 21 of the Oklahoma Statutes."

I swear or affirm that I am eligible to run for member of the board of education or to serve in such office if elected.
