26 O.S. § 10-101

The nominees for Presidential Electors of any recognized political party shall be selected at a statewide convention of said party in a manner to be determined by said party. The nominees for Presidential Electors shall be certified by said party's chairman to the Secretary of the State Election Board no fewer than ninety (90) days nor more than one hundred eighty (180) days from the date of the General Election at which candidates for Presidential Electors shall appear on the ballot. Failure of a political party to properly certify the names of its nominees for Presidential Electors within the time specified shall bar such party from placing any candidates for Presidential Electors on the ballot at said election. Candidates for Presidential Electors seeking to appear on the ballot as uncommitted shall be entitled to have their names placed upon the ballot at a General Election by observing the following procedure:

1. No later than July 15 of a presidential election year, petitions seeking ballot access for said uncommitted candidates for Presidential Electors, in a form to be prescribed by the Secretary of the State Election Board, shall be filed with said Secretary, bearing the signatures of registered voters equal to at least three percent (3%) of the total votes cast in the last General Election for President. Each page of said petitions must contain the name of registered voters from a single county.

2. Within thirty (30) days after receipt of said petitions, the State Election Board shall determine the sufficiency of said petitions. If said Board determines there are a sufficient number of valid signatures of registered voters, the nominees for Presidential Electors are entitled to appear on the ballot at the next following General Election at which candidates for Presidential Electors shall appear on the ballot.
