

STATE OF OKLAHOMA  
VOTER REGISTRATION ADDRESS CONFIRMATION NOTICE

Dear Voter:

You are registered to vote in Oklahoma. The purpose of this mailing is to confirm the residence address in your voter registration information. Both federal and state laws require the State Election Board to confirm the voting addresses of some voters.

**INSTRUCTIONS:**

1. Fill out the Return Card below with your current residence address and mailing address.
2. Sign and date the Return Card.
3. Detach the Return Card at the perforation below. Fold the Return Card, tape it for security, and mail it.

When we receive your filled out and signed Return Card, we will use it to confirm your current registration address if you haven't moved, to transfer your registration to your new address if you have moved within the same county, or to cancel your registration at your old address if you have moved to another county within Oklahoma or to another state.

**If you have moved to another county in Oklahoma or to another state**, please register to vote where you live now.

- In Oklahoma: Voter registration application forms are available at the State Election Board office, at the County Election Board office in every county, at tag agencies, post offices, and most public libraries. The form also may be downloaded from the State Election Board website: [www.elections.ok.gov](http://www.elections.ok.gov).
- In other states, contact the local election office where you live now to learn how to register to vote there.

**If you do not fill out and mail the Return Card**, your voter registration in Oklahoma may be cancelled in the future without any additional notice to you.

**If you have questions about this notice**, or want to verify your voter registration address currently on file, call the County Election Board office in your county in Oklahoma, the State Election Board at (405) 521-2391, or visit the State Election Board's website: [www.elections.ok.gov](http://www.elections.ok.gov).
