RE:  Request for an Advisory Opinion

Dear Sir/Madam:

The State Bond Advisor’s Office serves as staff to the Oklahoma Council of Bond Oversight. I have received the following inquiry from a member of the Council and would appreciate your guidance in the form of an Advisory Opinion:

Can a member of the Council of Bond Oversight, which is responsible for the review and approval of bond issues by State Entities, purchase the bonds of such issues in either the primary or secondary market?

I have attached additional information concerning the bond approval and issuance process, as well as the roles and responsibilities of the Council. I believe it is relevant to note that once the Council approves a bond application, it has no further involvement in the sale process.

If you require any additional information, please let me know. Thanks for your attention to this matter.

Sincerely,

James C. Joseph
Oklahoma State Bond Advisor
Council of Bond Oversight
- Background Information –

The process for providing oversight of debt issuance by State Entities in Oklahoma was created with the adoption, in 1987, of the Oklahoma Bond Oversight and Reform Act (the “Act”). The Act is codified in Oklahoma Statutes as Title 62 Section 695.1 et seq. The Act provides for a five-member Council of Bond Oversight, consisting of the Director of the Office of Management and Enterprise Services, two public members appointed by the Governor, one public member appointed by the President Pro Tempore of the Oklahoma State Senate, and one public member appointed by the Speaker of the Oklahoma House of Representatives.

Each applicant submits a description of their proposed financing to the State Bond Advisor’s Office for consideration by the Council. Staff of the Office reviews each application and provides the Council with a memorandum containing a summary of the transaction, including a description of the security pledge, repayment structure, and other outstanding debt of the issuer. Staff also verifies that the proposed issue is legally authorized and that all required attachments to the application form have been provided. At its monthly meeting the Council reviews each application and either disapproves the financing or approves with conditions. See Attachment for the full text of the Bond Oversight and Reform Act.

Primary Offering

Once the Council approves an issue, it has no further involvement with the marketing, pricing or delivery of the bonds. That is the responsibility of the issuer, its financial advisor, and the State Bond Advisor. When the issuer’s financing team agrees on an offering price with the underwriter(s), bonds are made available to investors (the primary offering). It is at this point that Council members (and the general public) would have an opportunity to place orders for bonds through their brokers. Once sufficient orders for the bonds have been received and the issuer and underwriter agree on a final price, the bonds are sold and delivered. That ends the primary offering period.

Secondary Market

Most bond issues are repaid over a period of five to thirty years, depending on the type of equipment or facility being funded. During the life of the issue, bonds are traded and sold by investors through their brokerage accounts. All investors, including Council members, would have an opportunity to acquire the bonds of a State Entity in this secondary market.

A. The Council of Bond Oversight shall:

1. Make determinations as to whether the purposes for which obligations proposed to be issued by a State Governmental Entity, in conjunction with a State Governmental Entity Financing, are for the
furtherance and accomplishment of authorized and proper public functions or purposes of the state or of any county or municipality, as specified in the statutes governing public trusts organized pursuant to Title 60 of the Oklahoma Statutes;

2. Review proposed issuance of debt by State Governmental Entities for compliance with any applicable provisions of federal, state or other laws;

3. Review such other matters as the Council deems relevant to the Application, including, without limitation, sources of repayment and security for the obligation. However, the Council shall not review the merits of the project. The Council shall only determine that the project has a legal and beneficial purpose which can be legitimately funded by bond or similar indebtedness, issued by a State Governmental Entity or Local Governmental Entity;

4. a. Except as provided in subparagraph b of this paragraph, review the findings of the Program Development and Credit Review Committee to determine if the Rules Regarding the Administration of the Credit Enhancement Reserve Fund and related regulations and policies as implemented by the Oklahoma Development Finance Authority adequately and sufficiently fulfill the intents and purposes of the Credit Enhancement Reserve Fund Act, provided such provision shall not apply to Credit Enhancement Reserve Fund applications approved by the Bond Oversight Commissions prior to May 30, 1990; and, except as provided in subparagraph b of this paragraph, approve or disapprove any bonds or indebtedness being issued by the Oklahoma Development Finance Authority to the extent said bonds or indebtedness are enhanced or supported pursuant to the Credit Enhancement Reserve Fund Act.

b. The Council shall not be required to review or approve individual projects or loans under the Small Business Credit Enhancement Program created by Section 5063.4b of Title 74 of the Oklahoma Statutes, or the Oklahoma Beginning Agricultural Producer Pool Act, but may approve a package of such projects or loans in advance. Each project or loan shall be individually listed in the package and the dollar amount of the project or loan shall be specifically set out together with the total dollar amount involved in the package. The Council or the Oklahoma State Bond Advisor may, in their discretion, remove any such individual project or loan from the package submitted, for individual action. Should the Oklahoma Development Finance Authority submit an application to the Council for the approval of an obligation or credit enhancement under these two programs, the application shall be deemed approved if not disapproved by the Council within forty-five (45) days of filing such an application or, as to an individual project or loan, removed from the submitted package within such forty-five-day period.

c. The Council may establish maximum compensation levels to be paid to individuals and firms acting in a fiduciary capacity in connection with Credit Enhancement Reserve Fund Program financings. The Council may set such compensation levels for a one-year period and such compensation will be applicable to all individuals and firms participating in the program for that period. Providers of such services selected prior to making application may be employed subject to the established maximum compensation levels. Prior to December 31 of each year, the Council shall review market conditions and set new compensation levels for the program. Provided, such compensation levels may not exceed the compensation levels obtained by the Oklahoma Development Finance Authority through its most recent invitation to bid for the services of individuals and firms acting in a fiduciary capacity in connection with Credit Enhancement Reserve Fund Program financing; and

5. Adopt, amend and repeal rules to regulate affairs of the Council and to implement the powers and purposes of the Council.

All monies accruing to the credit of said fund are hereby appropriated and may be budgeted and expended by the Office of the State Bond Advisor for expenses related to the Oklahoma Bond Oversight and Reform Act. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

B. 1. With respect to any State Governmental Entity Financing proposed to be obtained through the issuance of its obligations, any State Governmental Entity or Local Governmental Entity shall file with the Council a written description of the nature, need and purpose of such proposed financing. The Council shall review the description of the proposed financing in order to either approve or disapprove the purpose to be served by the issuance of said State Governmental Entity obligations and for compliance with any applicable provisions of federal, state or other laws.

2. With respect to bonds or indebtedness proposed to be issued by the Oklahoma Development Finance Authority which will be enhanced or supported pursuant to the Credit Enhancement Reserve Fund Act, the Council shall review the description of such proposed financing in accordance with paragraph 1 of this subsection and additionally shall approve or disapprove the proposed financing on a determination of sufficient compliance with the Rules Regarding the Administration of the Credit Enhancement Reserve Fund as implemented by the Oklahoma Development Finance Authority. Such determinations by the Council shall be based on a written report prepared for and provided to the Council by the Program Development and Credit Review Committee as provided in Section 5062.6a of Title 74 of the Oklahoma Statutes, provided the Council shall not be bound to follow the conclusions reached by the committee in such reports.

All orders issued by the Council approving or disapproving bonds or indebtedness enhanced or supported pursuant to the Credit Enhancement Reserve Fund Act shall be final and shall not be subject to any type of appeal.

3. Except as provided in paragraph 4 of this subsection, approval provided for in paragraph 1 of this subsection shall expire one hundred eighty (180) days after such approval. Provided, if such approval expires, nothing shall prevent the State Governmental Entity from refiling with the Council for approval of such financing and, if granted, any one subsequent approval of such financing shall be valid for a period, not to exceed one hundred eighty (180) days, as determined by the Council.

4. Applicants having received approval, as provided for in paragraph 1 of this subsection, may request and the Oklahoma State Bond Advisor may grant, at the Oklahoma State Bond Advisor's discretion, a single one-hundred-eighty-day extension. Any request for an extension must be made at least five (5)
business days prior to the expiration of the original approval. Applicants failing to request an extension in this manner may refile with the Council as provided for in paragraph 3 of this subsection.

5. In the event there is a substantial change in the nature or purpose of a proposed financing after approval by the Council, the prior approval shall be void and the State Governmental Entity shall be required to seek approval from the Council in the manner provided in paragraph 1 of this subsection.

C. Local Governmental Entities, within ten (10) days following the date funds become available to the issuer from the sale of any obligation, shall file with the Council a copy of the official statement or notice of sale and any other information concerning the proposed financing required by the Council.

D. Upon the request of a Local Governmental Entity, the Oklahoma State Bond Advisor may provide advice and assistance to the Local Governmental Entity with respect to the issuance of obligations. The Oklahoma State Bond Advisor may assess reasonable fees for such services.
