

SUPPORT OFFICER: acting supervisor; apprentice (76 total hours)

Required Courses (76 hrs.):

NIMS ICS-300 (16 hrs) - provides training on and resources for personnel who require advanced application of the ICS. The course expands upon information covered in the ICS-100 and ICS-200 courses.

NIMS ICS-400 (16 hrs.) - provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). The course objectives are to explain how major incidents pose special management challenges; describe the circumstances in which an Area Command is established; and describe the circumstances in which multiagency coordination systems are established.

Flammable Gas Emergencies (12 hrs.) - essential knowledge and skills for handling flammable gas incidents in transportation or at fixed facilities. The 12-hour training includes eight hours of classroom, followed by four hours of live burn instruction. The course is recommended to emergency responders in public safety and industry. This will include Live Burn Evaluation.

Fire Cause Determination and Arson Awareness (16 hrs.) - designed to provide the basic knowledge and skills necessary for senior firefighters and fire officers to conduct initial fire cause determinations at structural fire scenes.

Strategy & Tactics for Initial Company Operations (16 hrs.) - designed to (a) meet the needs of Company Officers responsible for managing the operations of one or more companies during structural firefighting operations, and (b) develop the management skills needed by Company Officers to accomplish assigned tactics at structure fires.

Required Electives - 0 hours
