Subject: Requests for Add-On Counties, FEMA-4222-DR-OK

Dear Mr. Ashwood:

I have reviewed your requests, dated June 16, June 23, and July 21, 2015, to add a total of 34 counties for Individual Assistance to the Presidential Declaration of major disaster for the State of Oklahoma, FEMA-4222-DR-OK.

Based on all damage information the state provided and on the results of the joint Preliminary Damage Assessments, there was not sufficient documented damage to warrant adding the following 19 counties:

Blaine, Craig, Creek, Custer, Dewey, Garfield, Greer, Harmon, Haskell, Jackson, Kay, Major, Muskogee, Osage, Pawnee, Roger Mills, Sequoyah, Washita, and Woods

Therefore, I am denying these counties. If you wish to appeal this decision, you have 30 days from the date of this letter to submit your appeal to the Associate Administrator, Office of Response and Recovery, via the Regional Administrator.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Long".
