

CKC Curriculum Package Request

Please read the requirements to have OSDH purchase the CKC curriculum package. If your site agrees to meet these requirements, please complete the form below to request a curriculum package. The packages are on a first come first serve basis.

Requirements to have OSDH purchase the curriculum package:

- Funds must be available
- After-School Partner site (ASP) must agree to evaluations at a minimum of Level 2
- ASP participates in an implementation training and booster trainings as needed
- ASP commits to implement the CKC program for three successive years
- ASP is actively involved in teaching the nutrition lessons and physical activity sessions
- ASP agrees to store equipment in a secure place and to complete periodic inventory logs
