

# National Health Service Corps Field Strength (NHSC) & Health Professional Shortage Areas (Dental Health)

## Legend

- NHSC Dental Health Providers
- Geographical Area HPSA
- Population Group HPSA
- Not A Health Professional Shortage Area

Total NHSC Dental Providers: 20

## Notes:

NHSC Dental Health providers include dentists and dental hygienists providing care in Health Professional Shortage Areas (HPSAs). The NHSC program provides loan repayment assistance in exchange for a two-year commitment to serve at an approved NHSC site.

Population HPSAs are designated based on the ratio of health professionals to the low income population of an area. Geographical Area HPSAs are designated based on the ratio of health professionals to the total population of an area. Areas that are Not HPSAs do not meet criteria for designation.
