

# BABY STEPS

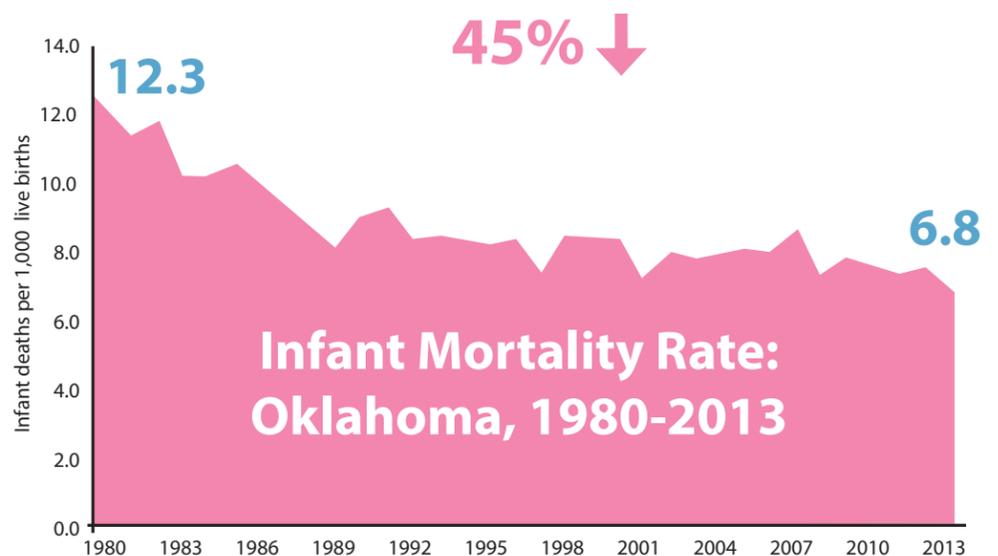

## Oklahoma Infant Mortality Rate drops to lowest ever!

Thanks to the healthy steps you've taken,  
**this year 34 more babies will celebrate their first birthday compared to last year.**

### Every step counts.

- 👣 More healthy women before pregnancy begins
- 👣 Less smoking during pregnancy
- 👣 More babies being born full-term
- 👣 More breastfeeding
- 👣 Whole-person wellness leading to better parenting
- 👣 Safer sleeping environments
- 👣 Less babies with abusive head trauma

Thank you for making it your responsibility, Oklahoma.

\*Infant Mortality Rate = Number of Infant Deaths Per 1,000 Live Births
