GETTING TO CONFERENCE

FROM STATE CAPITOL BUILDING TO CONFERENCE PARKING

...you will drive to 825 Research Parkway.
Park. Catch Shuttle.
Ride comfortably to conference site. Return.

Due to extremely limited parking, participants only access to the conference site is via the **FREE** shuttle service. We have taken strides to make this an easy-as-possible transition.

Directions below are from the Capitol to the Parking/ Shuttle Area - Shuttle service will loop back & forth to Mini Conference (see designated times below).

1. Drive Southbound on Lincoln Boulevard
2. Go straight through the intersection of **Lincoln BLVD & NE 8th St.**
3. Turn **Right** on **Research Parkway** - go 0.1 mile
4. ★ Arrive at **University Research Parkway Parking Lot**

Follow the blue line into the parking garage. The Red dot is where the shuttle is located (Level 2). There will be signs directing you to this dot through the building and parking garage. The shuttle will be labeled for the conference. Once on the shuttle you will receive a token to get out of the garage once the conference is over.

PLEASE NOTE AND PLAN ACCORDINGLY

Shuttle Service Will run from 12:15 - 1:30pm and from 4:30 until everyone is back. Shuttles will be coming/going as quickly as possible during this timeframe. Every effort will be made to make the wait for the next shuttle as minimal as possible.

Be a Superhero for
Children."*
