

ODH Form No. 274A Assessment

General Instructions:

Print the ODH Form No. 274A assessment after reviewing the online ODH Form No. 274A. Complete the assessment and two case studies and fax them along with a cover sheet to Tia Yancey at 405-271-6315.

Circle the correct response to statements below.

1. True False Shred all the old ODH Form No. 274A forms after completing the training.
2. True False The health related and tobacco questions are not mandatory questions.
3. True False Facility name only gets completed once on the ODH Form No. 274A form.
4. True False It is not necessary to mark the findings of a CBE if I indicate on the breast model where the lump is on the form.
5. True False A woman with an abnormal clinical breast exam and normal breast imaging results requires a surgical consult.
6. True False Writing the last name of the woman and her date of birth isn't necessary on page 2 of the form.
7. True False Nothing should be stapled or attached to the ODH Form No. 274A form when sending it in to Take Charge!
8. True False It is important to start a ODH Form No. 274CD when a woman has abnormal results on a breast and cervical cancer finding.
9. True False Mark "no" when a mammogram is paid for by Project Woman.
10. True False Call 1-800 Ghostbuster when I don't know how to fill out a form.
