The Kiowa County Health Department will be celebrating Public Service Recognition Week, which is aimed at honoring the men and women who serve our nation as federal, state, county and local government employees. The public health employees in Kiowa County help improve the health for entire populations by providing services like child screenings, immunizations, WIC, maternal and child health services, health education and emergency preparedness. “We want to thank our very own public health staff at the Kiowa County Health Department,” said Brandie O’Connor, administrative health director. “Their diligence and efforts in providing quality care and education are greatly appreciated.”

The Public Service Staff serving the Kiowa County Health Department are: Kathy Sanford, Coordinating Nurse; Sherry Downen, Public Health Nurse; Arline Thompson, Nutrition Assistant; Yolanda Washington Administrative Assistant; Rena Whitehead Administrative Technician II; Dawn Snodgrass, Records Clerk; Rebecca Villa-Winsett, Local Emergency Response Coordinator.
