

# Areas Within A 30 Minute Drive Time of a Federally Qualified Health Center (FQHC)

**Data Source:** HRSA Datawarehouse, StreetMapUSA Address Locator, ESRI Streets, US Census Bureau, American Community Survey 2010-2014 C17002.

Projection/Coordinate System: USGS Albers Equal Area Conic

Created: 10.26.2017

**Notes:** Federally Qualified Health Centers (FQHCs) are nonprofit healthcare organizations serving Medically Underserved Areas (MUAs).

Areas in red are within a 30 minute driving distance of a Federally Qualified Health Center (FQHC), calculated using ArcGIS software.

Populations estimates use 2010-2014 block group population center data.

83.7% of the overall Oklahoma population lived within a 30 minute drive of any FQHC facility.

**Disclaimer:** This map is a compilation of records, information and data from various city, county and state offices and other sources, affecting the area shown, and is the best representation of the data available at the time. The map and data are to be used for reference purposes only. The user acknowledges and accepts all inherent limitations of the map, including the fact that the data are dynamic and in a constant state of maintenance.
