MDS 3.0 ADL Training for CNAs & Clinicians

Sponsored by the
Oklahoma State Department of Health
Quality Improvement & Evaluation Service
(QIES Help Desk)

Target Audience

Certified Nurse Aides, New MDS Coordinators, and Interdisciplinary Team Members

Objective

Participants will have an increased understanding of how to accurately document ADLs through a fun interactive review, enhance their skills to manage the MDS process as it relates to Section G, and increase the accuracy of the MDS Assessment, resulting in improved quality of care for their residents.

QIES TEAM:

- Nancy Atkinson, Service Director
- Diane Henry, Director MDS/OASIS
- Bob Bischoff, Program Manager
- Wanda Roberts, RN Consultant
- Sarah Waters, Administrative Officer

Speakers

Diane Henry, RN, HCA, Diane is currently the Director of MDS-OASIS and the RAI Coordinator for the State Department of Health (OSDH). Diane enjoys working with nursing homes and/or assisting them with their quality improvement efforts and resident outcomes.

Wanda Roberts, RN, Wanda is an RN Consultant with the Oklahoma State Department of Health (OSDH) and the newest member of the QIES Team.

Bob Bischoff: Bob is currently the MDS-OASIS Automation Program Manager for the Oklahoma State Department of Health (OSDH). Bob has experience as a Medicare licensure and certification surveyor and has been involved in corporate training throughout his career.

Call the QIES Help Desk if you have not received your confirmation by

March 7, 2015

(405) 271-5278

Would your staff benefit from reviewing key strategies for detecting change in resident's condition?

Are you capturing all the key steps in your ADL documentation and coding?

Are you losing valuable information through inconsistencies that could improve the quality of care for your residents?

- Continuing education units (CEUs) will NOT be available for these workshops.
- No fee for registration

Registration must be received by OSDH-QIES no later than

March 5, 2015
