

YUKON Luncheon starts education effort

A luncheon today is the first of many presentations which volunteers representing the Canadian County Coalition for Children and Families planned during "Tag You're It Youth Awareness Month.

The luncheon, which the Yukon Chamber of Commerce is sponsoring, starts at 11:45 a.m. at the First Christian Church of Yukon, 601 Maple.

Youth & Family Services Inc., which serves Canadian, Kingfisher and Blaine counties with counseling, first-offender programs and an emergency youth shelter, is spearheading the month long community educational campaign.
