

Champion of Children's Health

Initiated by The Oklahoma Caring Foundation, this award honors a person, program or group for their work to improve the health of Oklahoma children and teens, mainly at-risk and underserved populations, through education, advocacy and/or health care services.

On October 8, [Fit Kids of Southwest Oklahoma](#) was honored with the "Champion of Children's Health" award from the Oklahoma Champions of Health Organization.

Thank you Fit Kids for going Above & Beyond for our children!
