TDT Canoe, Kayak Regatta

The Tishomingo Development Team (TDT) will sponsor the inaugural Pennington Creek Canoe and Kayak Regatta on Saturday, April 23, from 11 a.m. to 2 p.m. Participants will take part in a 2-3 mile paddle along scenic Pennington Creek—all participants must wear a Coast Guard-approved life jacket, and participants 15 and under must be accompanied by an adult. Those not taking part in the paddling can enjoy the outdoor fun in Pennington Park and cheer on the participants. There will be live music and lunch provided by the TDT. To register or for more information visit the TDT website, www.tishdevteam.com.
