Marshall County Partners in Progress Sponsor Senior Health Fair

Marshall County Partners in Progress sponsored the Marshall County Health Fair for Seniors at the Madill Senior Center. The turnout was very good and participants were able to review their blood pressure, cholesterol, BMI and fasting blood sugars. A health report card was provided to them after the testing. Door prizes, like medicine lock boxes, were given away every 20 minutes to those registered for the event.

Participants received information regarding proper storage and disposal of prescription drugs from the Marshall County Partners in Progress CHIO's Quality Improvement project.

Other literature and educational information from distributed by:

Baptist Retirement Village, Brookside Nursing Home , TLC Home Nursing and Therapy, Sterling House Assisted Living, A.L.L. Care Home Services, Marshall County Home Health, Victory HH & Hospice & Medical Equipment, IDEAL Home Care, Cross Timbers Hospice, Chiropractic Clinic of Madill, Featherstone Assisted Living, and INTEGRIS Marshall County Medical Center.
