

## **Roundup—Blanchard Community Coalition gets grant**

Wednesday, July 11, 2007 12:24 am

The BCC recently received a \$5,000 Women, Infants, and Children mini-grant through the Oklahoma Department of Health.

The group will use most of it to install lighting in Lions Park this month to make it a safer place. The rest of the money will be spent on Wellness Day at the beginning of the school year, BCC member Susan Ketter said.
