

Meet Mr. and Mrs. "We Can"

Meet Mr. and Mrs. "We Can" at the Okmulgee Garden Center

Yes there are still plenty of garden plots available at the Okmulgee Community Garden. You still have time to grow your own garden items as you see here in the photos. You can pick up an application up at the Okmulgee Health Department or attend the next garden meeting on July 11 at the Okmulgee County Health Department. Come reserve your plot for the summer.

The Okmulgee Community Garden was started by Dr. Ed Osborn and the Healthy Lifestyles Committee of the Okmulgee County Wellness Coalition. The community garden is now organized by Okmulgee Community Garden Committee Chair- Bob Seebeck along with many other volunteers.
