

### Senior Farmer's Market Nutrition Program

---

Could you use some help with produce this summer? The Okmulgee County Wellness Coalition has 150 applications that will be given on a first come basis.

The program gives any senior ages 60 or older that has an income under 185% of poverty a \$30 card that is good at the farmer's market. The card can only be used to buy fresh produce or vegetable plants.

Funding made possible through the farm bill and is ran by the Department of Human Services and the Department of Agriculture.

If anyone is interested in signing up, they can pick up a form at the health department or contact Bobby Howard at (918) 756-1883 x139.
