OBN holds prescription drug take back program

DURANT, OK - Oklahoma is holding their statewide prescription drug take back program today, encouraging those with expired or unused prescription drugs to turn them in.

The Oklahoma Bureau of Narcotics hopes the program will keep unused drugs away from teens. It's part of the states "Prescription Drug Abuse Awareness Week," which runs through tomorrow.

In Durant you can stop by 402 W. Evergreen. In Ardmore they'll be collecting at 100 S. Washington.

For a list of drop off sites across the state, you can check out a list of locations at www.ok.gov/obnidd/Take_Back/index.html.

They'll be collecting until 7 p.m. tonight.
