The Wagoner County Health Department and Wagoner Family Service Council's Health Committee will host a Wagoner County MAPP Meeting Thursday, Sept. 6 from 12 Noon to 1 p.m. at the Wagoner Civic Center.

Dedra Sweeney, accreditation coordinator for Adair, Muskogee, Sequoyah and Wagoner Counties say members will look at what changes and forces could have an impact on Wagoner County's public health system.

"We would like to involve as many community members as possible to get your input," Sweeney said, noting anyone interested in helping create a County Health Improvement Plan is invited.

Light refreshments will be served.
