IPC Risk Assessment and Governor's Executive Orders

July 13, 2020

IPC Risk Assessment and Monitoring Plan Checklist

The Department is providing Long Term Care providers this linked [Monitoring Plan Checklist](#), which is used by LTC staff when reviewing IPC Risk Assessment and Monitoring Plans. This checklist is based on the requirements specified in the plan for [Phased Reopening in Long Term Care Facilities](#) and is issued to facilities who provide incomplete applications. This is provided as a reference to aide those who have yet to submit their documents.

Governor's Executive Orders regarding COVID-19

The Governor extended Executive Order 2020-20, which declares an emergency caused by the threat of COVID-19 to the people of this State land the Public's peace, health, and safety. This [second amendment](#) is effective July 10, 2020, and is effective for 30 days. To see a list of all executive orders issued by Governor Stitt during the COVID-19 public health emergency go to: <https://www.sos.ok.gov/gov/execorders.aspx>
