

HEAL CARTER COUNTY

Shaping the Future of Our Community

“Together, we can change our community to become a healthier place to live!”

The **Healthy Eating, Active Living** committee is a sub-committee of the Carter County Turning Point Coalition.

We promote healthy food and physical activity environments and opportunities in schools, workplaces and communities in Carter County.

Join us in making the healthy choice the easy choice!

We meet at the Carter County Health Department on the second Tuesday of every month from 12:00 pm to 1:00 pm. Our meetings are open to the public and we invite you to join us any time!
