Before You Know You're Pregnant Pamphlet

Folic acid education for women who are thinking about becoming pregnant soon.

Folic Acid, All Women, Every Day Two-sided Card

Folic acid education for women who are thinking about becoming pregnant soon.

Congratulations Mom!

This brochure developed for women who have just had a baby to remind them of the importance of continuing to take folic acid.

Got Diabetes? Thinking about having a baby?

This easy-to-read booklet was developed for women who have diabetes and are thinking about getting pregnant or are already pregnant.

Think Before You Drink

This brochure describes what Fetal Alcohol Syndrome is and how to prevent it; the brochure targets childbearing-age women with the message to avoid alcohol during pregnancy.
