FY15 OERSSIRF Proposal Scoring and Final Rankings

49 OERSSIRF proposals were submitted to OKSDH

37 were eligible for scoring.

17 were scored and selected for award of OERSSIRF funds

20 were scored but not selected for award of OERSSIRF funds

12 were not eligible for scoring because:

- 3 were received after the published deadline
- 1 was submitted with only the original instead of the original and 9 copies
- 1 was submitted without all required contractual documents
- 1 was signed by a vendor instead of an agency representative
- 1 was submitted without any letters of local support
- 5 were submitted without an attestation of the economic feasibility of the proposed project
