

Health Planning Committee (Enid Metro Commission)

Garfield County

2009

Coalition Priorities:

1. Physical Activity
2. Nutrition
3. Access to Healthcare

About Us...

The Enid Metropolitan Human Service Commission's, Health Planning Committee is a diverse representation of stakeholders that are dedicated to making a difference in the health of their community.

Since Enid is one the larger cities in Oklahoma, the Certified Healthy Business certification has been promoted to many businesses and plans are in place to reach out to workplaces interested in improving the wellness of their employees.

One initiative that has been embraced by many local businesses and promoted to their employees is Walk this Way, a six week walking program, and they are just beginning their third event.

Recently the group partnered with the Community Clinic to create a medical supplies coop to provide temporary assistance for medical supplies to those that are in need.

Partners:

Local Citizens	Northern Oklahoma Development Authority
Community Development Support Association	Northwest Behavioral Health Services
St. Mary's Hospital	United Way
Integris Hospital	Northwest Osteopathic Association
Continental Resources	Northern Oklahoma Resource Center
Garfield County Health Department	Enid Area Metropolitan Human Service Commission
Department of Human Services	
Autry Tech Center	

Key Activities:

- Walk this Way
- Promoted Certified Healthy Business
- Implementing BITE grant in community to address physical activity and nutrition
- ◆ Partnering with Community Clinic on Medical Supply Coop
- ◆ Working to get dental services at the Garfield County Health Department

Significant Outcomes:

- Over 600 people participating in Walk this Way
- Received Oklahoma Fit Kids Coalition BITE grant
- Created medical supply coop
