

Health Planning Committee (Enid Metro Commission)

Garfield County

2010

Coalition Priorities:

1. Physical Activity
2. Nutrition
3. Access to Healthcare

About Us...

The Enid Metropolitan Human Service Commission's, Health Planning Committee is a diverse representation of stakeholders that are dedicated to making a difference in the health of their community. .

Recently the group partnered with the Community Clinic to create a medical supplies coop to provide temporary assistance for medical supplies to those that are in need.

The committee implemented the BITE grant by partnering with a local group to sponsor the Be Fit Kids Health and Fitness Expo. This was held in May on the Enid High School football field. There were 25 vendors and over 300 children participated in the Buzz Run in addition to parents who attended the event.

The committee recently received notification that they were one of the recipients of the CX Wave 3 Tobacco grants.
