

Are you there God. It's me,
Margaret. We're moving
today. I'm so scared God. I've
never lived anywhere but here.
Suppose I hate my new school?
Suppose everybody there hates
me? Suppose they don't wash
their hands after they use the
bathroom? Suppose I get some
terrible bacterial infection from
them? Please help me, God.
Thank you.

.....

This convenient reading material is brought to you by Judy Blume & the Acute Disease Service of the Oklahoma State Department of Health who remind you to please wash your hands with soap and water or clean them with an alcohol-based hand product.
