

Health IT Workgroup Meeting Agenda March 2015

Thursday Mar 12, 2015, 1:30-3:30 p.m., Room 307
Oklahoma State Department of Health (OSDH)
1000 NE 10th Street, Oklahoma City OK 73117

Center for Health Innovation & Effectiveness (CHIE)
CHIE Director: Joseph Fairbanks
CHIE Project Manager: Brigido Ramirez

Agenda Item

1. Welcome / Announcements

- Brigido Ramirez introduced OSIM Project Manager Alex Miley and OSIM Project Coordinator Isaac Lutz
- Group member J. Kolarik is now with Yeaman and Assoc. as the Director of Clinical Informatics
- Welcome to new group member S. Sullivan
- Learning Opportunity: HIT Connect Summit video-cast March 24 – link will be sent to the group

2. Workgroup Discussion

- Funding Opportunity: *Advance Interoperable Health Information Technology Services to Support Health Information Exchange* (lead by OSDH) – Introduced by Deputy Secretary for Health and Human Services, Julie Cox-Kain
 - A brief regarding the funding opportunity was sent to Governor Falin and she approved OSDH to apply for the grant. The HIT workgroup reporting to OHIP will provide governance and OSDH will serve as the fiduciary agent for the funding opportunity. The HIT Coordinator will be named. The grant requires a 3:1 matching requirement – some will come from provider payments.
 - High Level Framework
 - Continuity of voucher program
 - Light approach for non-eligible and eligible providers without EHR
 - Heavy approach for non-eligible and eligible providers with EHR
 - Marketing and education
 - Emphasis on patient rights and appropriate patient data sharing
 - EHR Survey discussion (lead by OFMQ and OSDH)
 - The survey needs to be as concise as possible. All acronyms need to be spelled out. Determine who needs to be surveyed – location level, not individual providers. Determine what will constitute a representative sample.

3. Wrap-up

- Action Item Review
- Next Meeting Date / Time/ Place
