

# Jefferson County Turning Point Partnership

Jefferson County  
2009

## Coalition Priorities:

1. Positive Youth Development
2. Nutrition/Obesity
3. Substance Abuse
4. Parental Education/Involvement

## About Us...

The Jefferson County Board of Health is credited for the development of the countywide coalition. It was in 2006 when they began talking about the need to engage the county to address the health issues impacting the residents. The board of Health initiated a "Call to Action" meeting and the Jefferson County responded. Since that initial meeting, the Jefferson County Turning Point Coalition has met on a monthly basis to discuss the strengths and weaknesses of their county and worked to reduce duplication of services.

Jefferson county is a fairly small and rural county but a group of community leaders faithfully meet each month to discuss needs and develop a plan of action.

## Key Activities:

- Developed committee to research possibility of building an activity center to promote healthy lifestyles.
- Car Safety Seat Check
- Smart Start float entry at Waurika Christmas Parade.
- Coalition members were educated on topics such as underage drinking, healthy disparities, and parenting issues facing community members.
- Promoted 24/7 tobacco free policies in all county schools
- Developed Coalition brochure in an effort to engage and educated community leaders.

## Partners:

Jefferson Co Health Dept.	Waurika News Democrat
OSU Extension	Jefferson County Hosp.
Waurika Schools	OESC/Workforce
Jefferson Co Board of Health	Jefferson County DHS
Faith Community	Wichita Mtn Prev Resource Center
Concerned Citizens	Smart Start
	City of Waurika

## Significant Outcomes:

- ◆ Community Coalition working together to make a difference in the health and lives of Jefferson County residents.
- ◆ Working committee pursuing youth recreational facility
- ◆ Hosted Car Safety Seat Checks
- ◆ Developed Action Plan
