About Us...

Kingfisher Community Collaborative, Inc. (KCC) was initially organized in 1997 and has worked to assist our schools and improve communication among the many area help agencies and organizations. The Collaborative's role in the community is always evolving based on the culture and issues impact the county. The KCC has been intentional to listen to the needs of the community and responding. The KCC has been successful in sustaining projects that have proven outcomes and recognized those that have not.

The Kingfisher Community Collaborative has a proven 10 year history of development, evidenced by increasing membership from across the county. The Kingfisher Community Collaborative is committed to the health and well-being of the youth and families of Kingfisher County. We value the health and well-being of Kingfisher county children and families. We are committed to:

Compassionate service

Integrity

A cooperative effort

The innate worth of every individual

Mission Statement

KCC is committed to building healthy families today for healthy communities tomorrow.
