

LONG TERM CARE FACILITY **COMPLAINT PROCEDURE**

1. Any person with personal knowledge or substantial specific information who believes State or Federal regulations have been violated may file a complaint.
2. A complaint may be made in writing, by telephone, e-mail or in person.
3. The name of the complainant shall remain confidential unless otherwise indicated by the complainant.
4. If a regulatory concern is alleged to have been violated, the department shall schedule an unannounced investigation, and shall make written findings available.
5. A written report shall be provided to the complainant and the facility after the findings are made. The investigative report may be sent to one other person at the request of the complainant.
6. The investigative report shall include the following:
 - (a) Nature of the allegation(s).
 - (b) Written findings.
 - (c) Deficiencies, if any, related to the complaint investigation.
 - (d) Other relevant information.
7. Information in #5 above shall be available to the public.
