CHAPTER 675. NURSING AND SPECIALIZED FACILITIES

Subchapter 9. Resident Care Services

310:675-9-9.1. Medication services [AMENDED]

SUMMARY: This proposal amends rules promulgated in accordance with 63 O.S. Section 1-1950(C)(1) which authorized the State Board of Health to promulgate rules necessary for proper control and dispensing of nonprescription drugs in nursing facilities.

Section 310:675-9-9.1(i) addresses those procedures for maintaining nonprescription drugs for dispensing from a common or bulk supply. This proposed rule amendment deletes the requirement in OAC 310:675-9-9.1(i)(8) which limits the bulk nonprescription drugs that nursing facilities may maintain for residents. The current requirement provides that only oral analgesics, antacids, and laxatives may be dispensed from bulk supplies. This change will allow nursing facilities to maintain bulk supplies of other nonprescription drugs, such as cough medicines.

5. Update and Proposed Rule Changes to Implement the Fingerprint Based National Background Check.....James Joslin
The Advisory Board will receive an update on the implementation of the Fingerprint Based National Background Check and take action to review, amend as necessary, and may take action to recommend the Board of Health approve the attached rule changes.

- 310:2-29-3. Implementation [NEW]

SUMMARY: This proposal promulgates new rules in the procedures of the Department of Health as required in amendments to the Long Term Care Security Act (Title 63 O.S. § 1-1944 et. seq.), as adopted in 2012, [House Bill 2582](#). This bill authorized fingerprint based criminal history background checks on those applicants who would be employed in a variety of long-term care settings as defined in the law at [Title 63 O.S. Section 1-1945\(4\)](#). The law at [Title 63 O.S. § 1-1947\(T\)\(2\)](#) requires that the Department shall specify rules for issuing a waiver of the disqualification or employment denial and further specifies in paragraph (Y) the State Board of Health shall promulgate rules prescribing effective dates and procedures for the implementation of a national criminal history record check for the employers and nurse aide scholarship programs defined in Section 1-1945 of Title 63 of the Oklahoma Statutes.
